

Lab Volunteer
WE Health Clinic, Duluth, Minnesota

Applications are accepted on a rolling basis.

WE Health Clinic is a proud independent abortion clinic, serving as a vital resource for our community and surrounding areas in Minnesota. Our mission is to provide sexual and reproductive health care for all.

We are looking for an attentive and responsible individual to fill the critical role of cleaning patient rooms after ultrasounds or abortion procedures and preparing gynecology instruments for sterilization.

Responsibilities:

- Cleaning patient rooms following ultrasounds and abortion procedures, adhering to specific protocols and standards.
- Preparing gynecology instruments for sterilization according to established guidelines.
- Ensuring the cleanliness and readiness of rooms and equipment for subsequent patients.

Requirements:

- Previous experience or background in the medical field is highly desirable.
- Ability to follow trained protocols and guidelines with precision and care.
- Availability to work from 9:30 AM to 2:30 PM on Thursdays and some Fridays.

Training:

- Comprehensive training will be provided by existing staff until the volunteer is confident in performing tasks independently.
- Ongoing support and guidance from staff will ensure adherence to best practices and safety standards.

Application Process:

Interested candidates are encouraged to submit a cover letter and resume detailing relevant experience and motivation for volunteering.

Email your application to Cassidy at cassidy@wehealthclinic.org.

Interviews will be conducted to find a candidate that aligns with our values of empathy, dependability, and strong support for abortion access.

Why Volunteer With Us?

Volunteering as a Lab Volunteer with WE Health Clinic provides a unique opportunity to contribute to our mission of providing outstanding abortion care to our community. Your dedication will help ensure a safe and compassionate environment for those we serve.
